(1) The prescribed fees and charges (referred to in this Act as “fees and charges” or “fees”) for waste management services may cover the following:

(a) a compulsory garbage collection fee for residential premises in a designated waste management service area, and to all other premises to which the commercial waste collection fee does not apply;

(b) a commercial waste collection fee for all commercial premises but the Minister may waive the commercial waste collection for commercial premises which have made arrangements satisfactory to the relevant approved waste management operator for the proper management and disposal of the wastes generated at the premises;

(c) the compulsory garbage collection fee and the commercial waste collection fee
if the premises are both residential and commercial;

(d) additional or increased fees for premises or classes of premises which generate particular types of waste or greater quantities of waste, or which are located in areas which necessitate particular waste collection measures to be applied;

(e) fees for depositing wastes at landfill sites and approved dumping grounds;

(f) fees for the collection, storage or disposal of hazardous wastes;

(g) fees for any other waste service provided by an approved waste management operator.

(2) The residential and commercial collection fees imposed under this section:

(a) may be set on the basis of annual charges or set on any other basis;

(b) may be set at different levels for particular areas, taking account of matters such as the ability of persons to pay the fees; and

(c) are to be payable at intervals as prescribed.
(3) The Chief Executive Officer or an approved waste management operator may determine for the purposes of this section:

(a) the status of any premises as residential premises or commercial premises or both; or

(b) whether a particular service is provided as part of the normal garbage or waste collection service, or is another service for which prescribed fees and charges are imposed.”;
