## **Foreword**

This Table is compiled by the Office of the Clerk for the use of Parliament and Office of the Legislative Assembly for general information. It contains the List of Acts of Samoa and Samoa Regulations in force as at 31<sup>st</sup> December 2018 and those which have been passed to come into force at a later date.

A List of Acts and Regulations by years which forms part of this Publication includes repealed Acts and revoked Regulations.

Listing of Acts is an ongoing process; with additions of new Acts and new Regulations and deletions of repealed Acts and revoked Regulations.

If an Act does not appear in the Alphabetical list, refer to the List by Years.

The Constitution is reprinted following the passing of each Constitution Amendment Act, the last being the 2016 Reprint. The last reprint of the Electoral Act 1963 was on 8<sup>th</sup> September 2015, and the last reprint of the Legislative Assembly Powers and Privileges Act 1960 was on 10<sup>th</sup> January 2006.

Reprinted Acts 1977, 1997, 2007 and 2017 are indexed in the appropriate sequence.

All Acts are in the Samoan and English languages but the Reprinted Acts, except for the Constitution and the Electoral Act 1963 are in the English language only. For that reason, copies of all Principal Acts and Amendment Acts are available for sale as well as copies of Reprints.

The Acts can be browsed free of charge on the Parliament website: **[www.palemene.ws](http://www.palemene.ws)**. Copies of Acts and Regulations are procurable by purchase at the Office of the Clerk of the Legislative Assembly.

## **Disclaimer**

Although the information on this Table is prepared with care, the List is for information only. The Office does not accept any responsibility for inaccuracies or omissions.
